Questions about mixed housing? Get the facts.

Myth More housing always means more traffic.

Fact Growth can be planned to support transportation choice. Homes near jobs, transit and services can reduce the need for car trips.

Myth Mixed housing is the same as social housing.

Fact Mixed housing means different types of homes. It can include duplexes, townhomes, apartments and secondary suites at different price points.

Myth Mixed housing lowers property values.

Fact Mixed housing does not automatically reduce property values. More housing options can support healthy, complete neighbourhoods.

Myth Multi-unit housing does not fit into existing neighbourhoods.

Fact New housing can be designed to fit with surrounding homes and streets.
